

The **Burnie Concert Band** has an exciting junior program catering for children from 8 – 18 years. *No experience is necessary to start*, as our tutors will teach reading and technique for all **woodwind, brass and percussion instruments (including recorder)**. Also, **bass guitar and guitar are included (some experience on guitar would be an advantage)**

The Junior Program consists of a **Learner's Band** for beginning players and players wishing to try a new instrument and a **Junior Band** for more experienced players. Rehearsals are held at the Cooe Memorial Hall – beside the Burnie Bowls Club.

An Information Day/first rehearsal for Junior Learners – demonstrating the range of instruments available to learn – will be held on Thursday Feb 23rd 2023 from 4:45 – 5:45pm at the Cooe Memorial Hall. The Junior Band will commence on Thursday 16th Feb from 6 -7pm

Interested in making music outside of your school? Visitors are always welcome to come and sit in on a rehearsal to try it out. The band has percussion instruments available to learn and a small number of wind instruments available to hire.
